

## Transportation Alternatives Program Grant Application Planning Guide

### To assist grant applicants with project timeline planning

The following schedule is offered in order to allow applicants to reasonably plan project timelines for potential grant applications. This grant program does not have a defined call for projects. Applications are accepted year-round. Applications that are selected for funding may receive conditional commitments for funding in the current or a future state fiscal year. Missing or inaccurate information may delay a grant request into the next selection review cycle. For further details, contact the MDOT Grant Coordinator for your region.
